

# 360

Design: Stephan Copeland

Distinctively designed LED task light with outstanding functionality. 360 features a fully flexible spring-balanced pivoting arm, rotating base and lamp head which stays parallel to the worksurface during use. Ergonomically correct workspace lighting is further achieved with 6.5W dimmable LEDs which incorporate automatic shut-off after 9 hours to ensure energy savings. Aluminum construction.

TECHNICAL INFORMATION

Lamp:	6.5W Dimmable LEDs (4x1.6W) Total energy consumed 7.5W
Offstate Power:	0.3W
Luminance:	105 footcandles at 16 in. (1100 lux at 400 mm)
Color Temperature:	3250°K
CRI:	80
AC/DC Converter:	Electronic plug-in transformer
Power Cord:	4.5 ft. (1371.6 mm)
Mounting:	Table/Desk Base

360

LM-80 RoHS
